CDR FLANNERY
BEEF

CDR QUINN
J.J.

ALL CAG 2 TOMCATS WERE UPGRADED WITH THE
NEW TALL TACAN ANTENNA ON THE SPINE FOR ODS.
THIS ALLOWED THE F-14 TO COMMUNICATE WITH
COALITION AIRCRAFT AND BE INTEGRATED WITH
JOINT OPERATIONS. IT BECAME THE STANDARD,
ALONG WITH NACA GUN VENT UPGRADES THAT
WERE RETROFITTED TO THE F-14A FLEET IN LATE 91.
